

AMENDMENTS TO THE CLAIMS

This listing of claims replaces all prior versions of claims in the application.

Listing of Claims

Claim 1 (previously presented): A folding coffee maker comprising:

a coffee maker body for brewing coffee;

plural sets of folding arms, each set having plural arms linked revolvably, wherein at least two sets of folding arms are disposed on each side of the coffee maker body with their upper ends revolvably fixed to the coffee maker body;

a holder fixed revolvably to lower ends of the folding arms and capable of holding a coffee server when the folding arms are in an extended state, wherein the holder takes a lower position when the folder arms are in the extended state, and wherein the holder takes an upper position when the folder arms are folded; and

a lock mechanism for unlockably locking the holder to the coffee maker body when the holder is at the elevated position in proximity to the coffee maker body.

Claim 2 (original): The folding coffee maker according to claim 1, wherein

the lock mechanism is equipped with a lever fixed to the coffee maker body and in contact with at least a bottom surface of the holder taking the elevated position, and the lock can be unlocked by releasing the lever from the holder.

Amendment after Final
Application No. 10/809,854
Attorney Docket No. 042284

Claim 3 (original): The folding coffee maker according to claim 1, wherein the folding coffee maker is applied to a galley installed in a vehicle such as an aircraft, a railway vehicle, a ship or a camping car.

Claim 4 (original): The folding coffee maker according to claim 3, wherein the folding coffee maker receives supply of hot water for brewing coffee from a hot-water supply unit equipped to the galley.

Claim 5 (previously presented): The folding coffee maker according to claim 3, wherein the coffee maker body is disposed such that the coffee maker body is drawn out from a stowage position inside the galley.

Claims 6 -10 (cancelled)

Claim 11 (previously presented): The folding coffee maker according to claim 1, wherein the holder holds the coffee server when coffee is brewed.

Claim 12 (cancelled)
